# 1026 ANNUAL ART AUCTION

PREVIEW 6PM

AUCTION 7PM

#### SPACE 1026

This has been an incredible year for Space 1026 beginning with our Ewok Village installation at the Institute of Contemporary Art, staying strong with shows in Brooklyn, London and Chelsea and finishing with our 10 year retrospective that is currently on view until the end of December in our gallery. Our gallery has also hosted work by Matt Leines, Jordon Isip, Cannonball Press, as well as a pile of Canadians, North Carolinans and Western Massachutes.

#### ART AUCTION

Come help make all this madness continue by participating in our annual Art Auction. Past auctions have included work from ESPO, Barry McGee, Judith Schaecter, Matt Leines. Submissions have already begun piling up for this year's auction. Along with submissions from individual 1026 artists we have work from each of our group shows. Credit Card transactions will also be accepted this year.
